

Engage The Power of We™

Avaya 9608G IP Deskphone

Give your everyday users enriched communications capabilities

The 9608G IP Deskphone is an 8-line phone ideally suited for everyday users who consider the phone to be one of many useful communication tools and who rely on common functions like directory and speed dial to enhance productivity and collaboration.

The competitively priced, high-performing Avaya 9608G IP Deskphone features a monochrome display, 4 softkeys, high definition audio quality, integrated Gigabit Ethernet interface, headset support, and up to three 12- or 24-button Expansion Modules. Part of the 9600 Series IP Deskphones, the 9608G leverages your enterprise IP network to deliver sophisticated voice communications from headquarters, remote locations, or home offices. Integrated with the Avaya Aura® and IP Office™ Platforms, the 9608G optimizes communications through a flexible architecture that leverages existing investments and accommodates changing business needs.

Key Features and Benefits

- Delivers high definition audio that can increase productivity by reducing fatigue and provides easier-to-understand multi-party calls through the wideband audio codec in the handset and headset.
- Simplifies call control on the display using softkeys for everyday functions such as transfer, conference and forwarding; also makes it easy to perform everyday tasks such as quick access to the corporate directory.
- Provides visual queues that can speed task management through 8 dual-color Red/Green LED buttons.
- Improves flexibility through support of a secondary Gigabit Ethernet port for a PC.
- Enables high-speed call handling through support of up to three 12- or 24-button Expansion Modules.
- Offers consistency through a common interface with soft clients and mobile endpoints.
- Accommodates advanced unified communications solutions with Session Initiation Protocol (SIP) based infrastructure on the Avaya Aura platform.
- Supports reduced energy consumption and lower costs through Power-over-Ethernet Class 1 design with “sleep mode”.

About Avaya

Avaya is a global provider of business collaboration and communications solutions, providing unified communications, contact centers, networking and related services to companies of all sizes around the world. For more information please visit www.avaya.com.
